CONSTRUCTION GUIDE

YOU WILL NEED:

- ◆ FABRIC—COLORS FOR BODY, WINGS, & BEAK
- ◆ STRONG THREAD—CONTRASTING COLOR IS FUN, MATCHING COLOR IS NEATER
- ◆ BLACK OR DARK YARN & YARN NEEDLE
- ◆ STUFFING

- ◆ Cut out fleece pieces using pattern.
- ◆ Embroider eyes & attach wings. (BE SURE YOU ARE SEWING ON THE OUTSIDE OF EACH PIECE!). Attach wings with several stitches at the front, leaving the pointy end free.
- ◆ Align & hold body pieces together. Begin blanket stitch* just below the beak position. Tuck the beak into position and continue blanket stitch around the body.
- ◆ Position the gusset below the tail.
- ◆ Stitch along one side of gusset to first blanket stitch (under the beak.) Turn and stitch along the other side of gusset. Leave an opening for stuffing.
- ◆ Stuff & blanket stitch closed.

*There are several blanket stitch tutorials on Youtube. Search "blanket stitch." Sewing may also be done with a sewing machine.
